

Lorraine Ansell

Lorraine Ansell (born 1973) is a British spanking actress, active in the years 1995-2002 as a spankee. A Londoner of short stature, with dark eyes and shoulder-length reddish-brown hair, she often played a character who, when spanked, would wriggle and try to protect her bottom with her hands, while loudly protesting about the unfairness of her treatment.

Lorraine featured as a model in Sapphire 14 and Scorpion 18 and appeared three times on the cover of Kane (Nos. 74, 82 & 84).

Spanking was only one element of her extensive work in the adult entertainment industry which ranged from topless photos in the *Daily Sport* to hardcore pornography.
